

Hercules Vertical Platform Lift

A compact and unique solution to safely access all levels of your home or business.

The AmeriGlide Hercules Residential Vertical Lift, also known as a wheelchair lift, is the ideal vertical platform lift for residential and commercial outdoor or indoor spaces. Great for porches, decks, and garages too!

A 750 pound weight capacity comes standard on the Hercules, but a 1,000lbs capacity is available as an option. Great for lifting large wheelchairs and two people at one time.

Quick, Easy and Simple Installation

We have a team of expert technicians to install your Hercules Vertical Platform Lift quickly and safely.

These units are pre-wired in the factory and designed to ensure a quick and simple installation process.
